

A Guide to our made-to-measure Portiere Rods

Portiere Rods

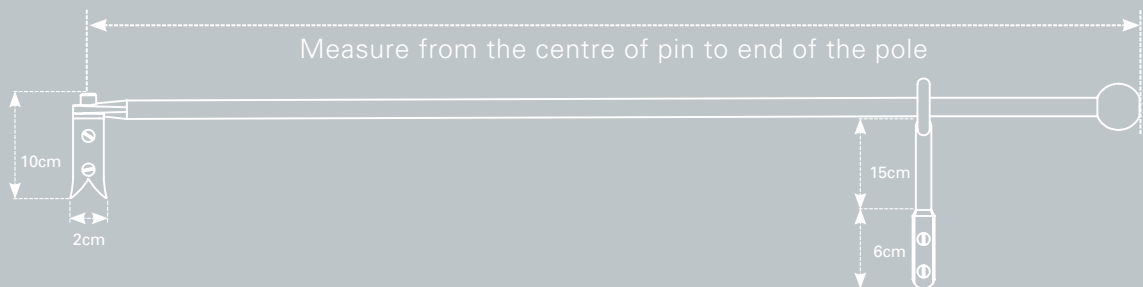

Our customers use the Portiere rod to hang curtains over doors. The rods are designed to open and close with the door to allow users easy access to enter and exit the room, whilst still keeping out any drafts.

Fixing

The Portiere rod bracket fixes to the door frame, whilst the support bracket fixes to the door itself, allowing the curtain to be opened and closed in conjunction with the swinging of the door.

Length

Designs

Our Portiere rods are available in a choice of 2 styles.

Button

Cannonball

Finish

Our Portiere rods are available in a number of finishes.

Beeswax

Matt Black

Polished

Clay

Old Ivory

Mercury

Rings

We offer a selection of curtain rings to match your Portiere rod. You can calculate the number of rings you will need by dividing the length of your pole (in centimetres) by 7.

Price

Our Portiere rods are sold at one price, regardless of the length you require.

Button: £44.10

Cannonball: £53.60
