DOLLY SWITCHES

Complement your interior with the character and charm of a vintage style toggle switch. Adding dolly switches to your home design ensures your décor is delightful in every detail.

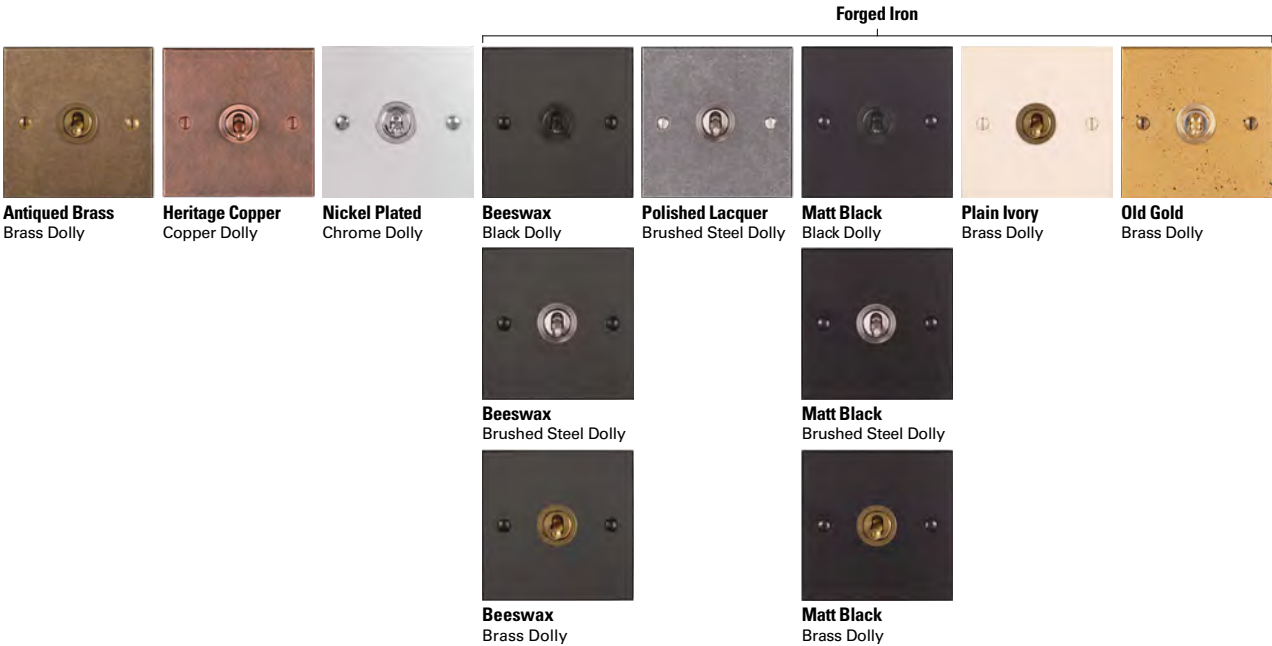

AVAILABLE IN 5 CONFIGURATIONS

WITH A BEVELLED OR HAMMERED EDGE

IN 12 FINISH COMBINATIONS

All our dolly switches are 2 way so can be used to operate lights from either one or two positions (e.g. at the top or bottom of the stairs). If you need to switch the light from more than two positions (e.g. in the middle of the stairs) we can supply an intermediate switch, please call for advice.

For up to date prices and product specifications please visit www.jim-lawrence.co.uk
